### THE SOCIETY

Farmacosmo is a company active in the *Health, Pharma & Beauty* sectors. The company's business model is based on the circular model of the I(ea)n strategy and is divided into three main business areas: *Logistics, Intelligence* and *Node*. *Logistics*: enables the management and fulfilment of up to 12,000 orders per day, with delivery times of up to 20 hours from carrier picking and just-in-time procurement ('*zero warehouse*' policy). *Intelligence*: includes strategy definition, competitive positioning and *customer journey* activities, which enabled the company to intercept c. 188,000 customers in 2021. Recurring customers contributed 74% of the annual *retail stream* turnover. The average cart value of active customers in the *retail stream* amounted to €92 (€109 related to recurring customers). *Node*: R&D activities, process innovation and IT infrastructure of the company. Over the past five years, Farmacosmo's sales value has grown by 54% (*CAGR 2016-2021*) and will be around €58 million in 2021. The Farmacosmo ecosystem aims to pursue standards of excellence in every part of its *value chain*, being inspired by compliance with ESG principles at all stages of the logistics process (from the packaging used for online orders to *carbon compensation* initiatives) and in the valorisation of its employees, the company's strategic asset. Farmacosmo's commitment to ESG is also underlined by the publication of its Sustainability Report 2021.
